Law

- Government Code Section 66531
- “Primary Basis” for the RTP
- Developed with participation from the cities and transit operators
- Recommended transportation improvements for the succeeding 10- and 20-year periods

Existing Guidelines

- Developed 1995, updated in 2000 in Resolution 2120
- Key Sections
 - Intro/Legislation
 - CTPs and the RTP
 - CTP Content
 - Preparation and Submission to MTC

What We Heard

- Workshop #1 Comments
- Submitted Correspondence
- MTC's Policy Advisory Council

A large, powerful ocean wave is crashing, creating a massive wall of water and a thick spray of white foam. The sky above is bright blue with scattered white clouds. The overall scene conveys a sense of immense power and scale.

Countywide Transportation Plans - Workshop #2

What's Changed?

Objectives

- Inform the relationship between CTPs and the RTP, while recognizing local needs and priorities
- Promote implementation of SB 375 and MAP-21
- Update content to include in the CTP guidelines

Outreach

- Document the process
- Emphasize how the needs of minority, low-income, and other disadvantaged communities have been considered
- Include various stakeholder groups

Performance

- Performance-driven, outcome-based approach
- Emphasize the 3 E's: Economy, Environment, and Equity
 - Consider regional performance framework, but also reflect local priorities
 - Could include both project and/or investment and land use scenario analysis

Investments

- “Primary Basis” for projects considered in the RTP
- Project lists should include:
 - Short, medium, and long-range improvements
 - Financially constrained and vision projects
 - Discussion of relevant regional programs
- Caltrans, transit agencies, and other regional agencies planning processes are basis for other projects considered in the RTP

Equity

- Should include an equity analysis, that:
 - Includes input from the public
 - Is tailored to the character of the county
 - Is focused on minority, low-income, and other disadvantaged communities

Focus Initiatives

- Include discussion of county's planning initiatives:
 - Local/modal studies
 - Corridor studies
 - Community Based Transportation Plans (CBTPs)
 - PDA Investment & Growth Strategies
 - Active transportation and/or complete streets
 - Climate change impacts to transportation infrastructure (e.g., sea level rise)

General Updates

- References to State and Federal law (e.g, SB 375 and MAP-21)
- Updates to recent regional plans (e.g., 2010 Clean Air Plan)

Removed

- References to:
 - Corridor planning
 - Metropolitan Transportation System (MTS)
 - Inactive committees
- Expectation that counties conduct an environmental analysis of CTP

Update Schedule

- Regular updates, within 18-30 months of RTP/SCS adoption
- Regular updates to CTP Guidelines, following RTP/SCS adoption

Effective Date

- Updated Guidelines are proposed to go into effect for CTPs that were either, initiated after October 1st, or adopted after October 1st
